## U.S. sewer break inaction costly burden

**GRANITE CITY GRAFFITI.** This sign was observed Thursday evening at West 20th Street and Federal Aid Route 151 and carries an apparent message from Fifth Ward Alderman Walter Nonn to Street Supt. Lionel Portell. It lists the superintendent's office and home telephone numbers and says, "Ask him if he forgot the people who supported him." The sign gives "notice to residents, 5th Ward—call Lionel Portell, superintendent of streets, and ask why this pile of rubbish is here for eight months. And why was the 5th Ward neglected last winter? From your alderman, Walter Nonn, who wants our problems taken care of." Contacted by the Press-Record, Supt. Portell responded, "There are seven wards in the city, not just one."

Federal government delay and negativism on financing flood-related sewer break repairs is causing an "overwhelming burden" on Granite City, Federal Disaster Assistance Administration officials were told Friday in East St. Louis by Mayor Paul Schuler.

Similar problems were cited by others at the meeting, including Venice Mayor William Ebersold, Cahokia Mayor Robert Jackson, Levee District President Jack Scoville, Centerville Township Supervisor Francis Touchette, East St. Louis Commissioner Elmo Bush and Centerville Mayor Ernest Smith.

Scoville said 17 breaks in levee district lines in Cahokia have been assigned to the Army Engineer Corps for repair but no action has been taken.

FDA and Engineer Corps representatives were told that recent breaks include some resulting from previous breaks that had not been repaired due to lack of funds.

An extensive presentation of Granite City sewer break problems was voiced by Mayor Schuler.

Schuler related, "What we are here for today is a factual discussion of the problems caused by the flooding in the spring of 1973; in particular how it affected the ground water level, and the resultant effect on the sanitary sewer systems in our area."

"I will confine my remarks to the area of Granite City; however, a history or background of the conditions that existed in early 1973 is in order insofar as the flood is concerned."

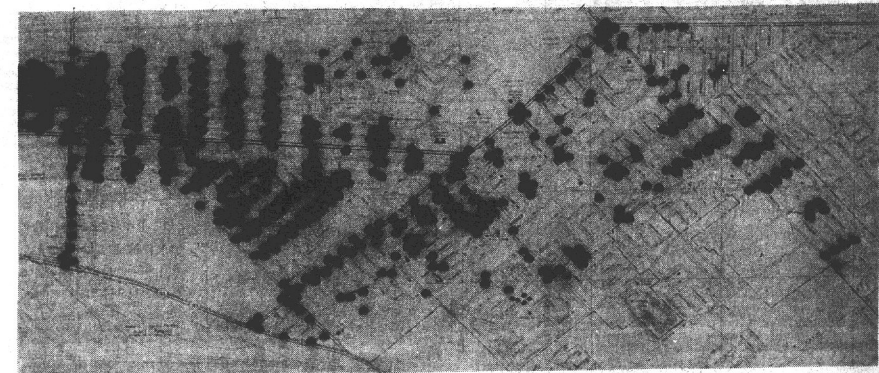

"By the middle of March of 1973, the rising level of the Mississippi River forced the closing of the Tri-City Regional Port and Docks, Lock 25 at Winfield and Lock 24 at Clarksville, besides limiting operations at National Marine, Inc., in the Hartford area, and necessitating extensive sandbagging along all the levees in our area."

"Almost continuous rainfall throughout this period had resulted in 4.61 inches of rain having been recorded by March 25, the normal for the entire month of March was 2.34 inches. The river level at that time was 96.3 feet, and flood stage is considered to be 30 feet."

"The river continued to rise throughout the rest of March and into April 1973 and the condition of the levees became critical."

"By late April, levees defense, she said."

## Life term in murder case

Donald Brauch, 37, Granite City, was convicted of murder Thursday and sentenced to life imprisonment.

A Troy, Mo., jury deliberated 30 minutes before returning a verdict of guilty in the death of Dennis Wayne Cox, 26, St. Louis, on Feb. 10, 1973, near Elsberry, Mo.

Mr. Cox was shot with a pistol and shotgun a few days after escaping from the St. Louis City Jail. His body was found along a gravel road two and a half miles southeast of Elsberry.

Those charged were Brauch, who was said to have ties with Teamsters Local 600, Charles Wheeler and Leo Cosgrove.

Wheeler is to be tried later; he testified at Brauch's trial, which lasted three days.

Cosgrove, a former convict, was shot to death while seated in a Madison tavern in February.

Brauch's bond of \$50,000 has been revoked and he is being held in the Lincoln County, Mo.,

jail in lieu of a new bond of \$100,000.

Wheeler, 32, said Cox and Roger Lee Williams, 35, had escaped from the city jail along with a dozen other prisoners.

Feb. 2, 1973, Williams currently is serving a prison sentence in Jefferson City for murder.

Wheeler and Brauch were helping Cox and Williams to hide out in Granite City after the jail break, it was testified.

The two escapees then were taken to a trailer home near Elsberry about a week later.

It was related that Brauch suspected that Cox had made a telephone call while here after being ordered not to make a

## \$1.2 million drug raid nets 2 GC men

Two Granite Cityans are among six persons listed as being detained in the Palm Beach County, Fla., jail after a drug raid Friday evening netted 6,000 pounds of Jamaican marijuana valued at \$1,300,000.

Michael Ray Allen, 22, and Thomas J. Cavanaugh, 29, both of Granite City, are being held on \$50,000 bonds.

Federal drug agents raided a home on the Intracoastal Waterway in the West Palm

Beach and Jupiter area. They said they found the marijuana on a 42-foot motorboat docked at the home.

The captain of the boat, Richard Hailstone, 27, Raymond, Ill., killed himself

when agents attempted to arrest him.

It was related that Hailstone grabbed a .44-magnum pistol that was taped to a bulkhead and shot himself in the head, through the mouth, while being

questioned by U.S. customs agents.

Also held on \$50,000 bonds are Willie Albert Mize, 42, Collinsville, who has been indicted by a federal grand jury in connection with a theft ring once centered at Madison area railroad freight yards; Charles Edward Dale, 34, Hazelwood, Mo.; and William Joseph McMurtry, 34, Whiteside, Mo.

Mize's wife, Barbara Jean, 35, was held on a \$10,000 bond. Charges of conspiracy, smuggling and possessing a controlled substance with intent to distribute were filed.

The arrests followed two months of investigation by the U.S. Drug Enforcement Administration and the Palm Beach County sheriff's staff.

## Innocent verdict

A jury at St. Louis on Friday ruled James A. Hauschild innocent of murder and of assault to kill with malice in the death of a Granite Cityan Sept. 30, 1973.

Hauschild, 29, of the 10,400 block of Benfrew Drive, Glasgow Village, St. Louis County, had been arrested in the shooting death of Louis E. Miller, 26, of 2712 Maryville Road, and the wounding of James D. Donovan, 26, of 2233 Chambers Road, Moline Acres.

The shootings occurred during a dispute in front of a tavern in the 8700 block of Goodfellow Blvd.

Mr. Miller's widow told the Press-Record that the testimony of 27 witnesses for the prosecution apparently failed to sway the jury. There were no defense witnesses other than Hauschild, who pleaded self-defense, she said.

Circuit Judge Daniel Tillman presided. The jury deliberated for an hour and a half.

## Damage slight due to wind

Only minor damage resulted from high winds that swept through the Quad-City area early Sunday as part of the same storm system that caused tornadoes and flooding in Oklahoma and Kansas.

The U.S. Weather Service reported that winds shortly after 3 a.m. yesterday gusted up to 75 miles per hour in this area.

Rain during the storm totaled .44 of an inch at the Chain of Rocks Canal weather station.

Street officials in Granite City, Madison and Venice reported no major problems.

Lionel Portell, superintendent in Granite City, said a large tree section was blown across 27th street at Wilson Park, blocking the street temporarily.

Otherwise, damage was limited to smaller limbs blown from trees.

A few individual power outages occurred. An Illinois

## Marijuana law repeal favored

The Illinois State Bar Association board of governors will recommend June 17 to the Association Assembly of the State Bar that all penalties be removed from personal use or simple possession of marijuana.

Pres. William P. Sutter said Friday, "It is not our intention to endorse marijuana. But the laws against personal use are not real, not meaningful. Breaking these laws leads to a disrespect for the law."

One alderman said that if the city resurfaced 27 blocks in the first year of operation, the savings would pay for the new equipment.

Alderman Gerald Parmley of the Sixth Ward said there is a shortage of men in the street department, which is to operate the program. Street Superintendent Lionel Portell responded, "You have to get extra men, just like a contractor."

Parmley persisted, telling the aldermen, "You have a deficit budget, and yet you keep spending more and more money."

Portell said a used roller is available for \$3,700, as compared to \$15,000 or \$20,000 for a new one.

The two tandem trucks will cost about \$27,000 for both. The council also will need to purchase more blacktopping material next year than in previous years. Material is to be purchased from motor fuel tax funds.

## Blacktop program

Granite City will undertake a program of blacktopping streets with its own equipment and own personnel, similar to a program in Madison, the Granite City Council has decided.

The aldermen have voted to insert about \$31,000 of federal revenue sharing into the 1974-75 budget, which is currently being prepared, to purchase a roller and two tandem trucks to use in the blacktopping program.

Earlier this year, a \$25,000 revenue sharing appropriation was approved for the upcoming budget for purchase of a spreader.

Aldermen have estimated the project will save the city about 25 percent of the cost of hiring outside firms to blacktop streets.

One alderman said that if the city resurfaced 27 blocks in the first year of operation, the savings would pay for the new equipment.

## Burglars set fire to house

A deliberate attempt to burn a dwelling where a burglary had been committed last night resulted in \$2,000 damage to the house and its contents.

Firemen from the Nameoki Station were summoned at 11 p.m. Sunday to 2947 Marshall Ave., after a neighbor saw flames through a window at the Leonard Ware residence. The family was absent from the home for the weekend.

Clothing had been set ablaze in the middle of the kitchen floor. Extensive smoke damage mainly was confined to the kitchen area. Firemen notified police upon discovering the house had been ransacked.

Entry into the dwelling was gained by throwing a bottle through a window above a bedroom air conditioning unit. An inventory of missing items is being compiled by the homeowners.

Officers were told a gun discharged accidentally during a struggle with two other persons at his home at 5:05 p.m. Saturday.

Man critical

Perry Backstrom Jr., 26, of 154 Viola Jones Homes, Venice, is in critical condition today at St. Elizabeth Hospital with a gunshot wound of the stomach, apparently from a pistol.

Officers were told a gun discharged accidentally during a struggle with two other persons at his home at 5:05 p.m. Saturday.

**HAZARDOUS AREA REPAIRED.** Workmen from the East Side Levee and Sanitary District are shown working on the embankment of the Nameoki Drainage Ditch near Wilson Avenue Friday morning. At 4:50 p.m. June 4, two local boys were injured when they fell from the embankment. A new culvert has been put in and dirt is being trucked in to strengthen the bank area.

The First Granite City Savings and Loan today announced an additional location to serve the local area.

"An unusual type building is to be erected at 1529 Johnson Road, Granite City, offering walk-in and drive-in facilities, with ample parking space for customers," President Fred R. Williams said.

Al Breiweiser of Alton is the architect and Chuck Vollman of Vollman Advertising, Collinsville, is the building design consultant. Drive-in automatic teller units will be furnished by the LeFebvre Corp.

A structure of Spanish motif is to be built by Ed Moore Construction Co., general contractor, starting in the next few weeks, depending upon labor and building agreements.

The new facility is scheduled to be in operation by October 1974.

"This new facility will give First Granite City Savings and Loan two locations to offer modern, first-class service to its customers — at 1529 Johnson Road in the shopping center area, and at 1825 Delmar Ave. in the downtown business district," Williams noted.

protecting Chouteau Island broke, resulting in flooding of the entire island, with a resultant massive destruction of homes and crops. At that time, the river stood at a record 41.7 feet and was still rising.

"Nearly all of the Grafton area to our immediate north had been flooded, as had a great portion of downtown, Alton.

"On the Missouri side, the entire area at the juncture of the Missouri and Mississippi Rivers was turned into a 15-mile-wide lake.

"On Wednesday, April 25, Gov. Dan Walker estimated that Illinois had in excess of \$50,000,000 in flood damage. He designated our area as a major disaster area and requested aid from the federal government by a telegram to President Nixon.

"The river reached its crest of 43.31 feet at 9 p.m. on Saturday, April 28, and thereafter began to recede slowly.

"By this time, the damage had been done. The continued heavy rainfall throughout the late spring and early summer kept the problem of the river stage and ground water table at a critical level," Mayor Schuler said.

"To discuss this problem in the light of what has happened to my city, I would like to review the history of the sanitary sewer breaks.

"A depression in the ground was noted in the area of the intersection of Adams and Franklin near St. Elizabeth School in Granite City during the week of March 13.

"This was discovered to be a break in the sanitary sewer line by March 21; bypass pumping was commenced on that date under the direction of the street department of the city, with equipment rented by the Lane Western Co. of St. Louis in an attempt to de-water the area of the break.

"A high water table ham-

pered repair, since the sewer line was installed at a depth of 11 to 12 feet and the water table was at a depth of nine feet.

"A pump having a capacity of 1,000 gallons of water per minute was installed in an effort to de-water the area. This proved inadequate.

"By the end of March there had been two more breaks discovered, one on Jill Avenue and another in the area of the first break on the sanitary line from St. Elizabeth School.

"By this time the city street department had abandoned use of the 1,000-gallon-per-minute pump as inadequate, since working at capacity it had failed to lower the water table sufficiently to enable repairs to commence.

"By April 1, some 40 well points had been driven around the area of the breaks in the St. Elizabeth School line in another attempt to lower the water table so that repairs could start.

"Everything to this point was still preparatory to any repairs because of the failure of the measures used to lower the water table.

"By the middle of April, there were eight or more suspected breaks, and the city superintendent of streets was convinced that the well points were also inadequate to de-water in the area of the breaks.

"In fact, use of the 40 well points had only dropped the water level in the area of the breaks near St. Elizabeth School one foot.

"At this same time, the City Council began to question whether or not the street department had been unable to arrive at any solution to the problem of dewatering and bypass pumping no matter what the cost.

"The Corps of Engineers considered several methods for de-watering and repairs. However, one of the methods considered by the Corps utilized a large inflatable bag which is inflated inside the sewer to seal it. A sealer is pumped into the ground around the outside of the sewer which hardens and seals the outside of the pipe. The bag then is deflated and removed from inside the pipe.

"This system was never utilized as none of the engineers considered it practical nor even feasible.

"The preliminary DSR's of the state and federal EPA suggested the use of sheet piling, which all engineers agree is one of the most expensive methods of de-watering.

"The city's contractor, in an attempt to conserve funds, again attempted to de-water the breaks by driving a series of well points in the area of the breaks but using larger capacity pumps and a more sophisticated draw-down system.

"This method proved successful and at the time it was initiated was the first successful effort to de-water and allow repairs to start.

"It must be reiterated that to this point no one questioned this method, and of the methods suggested it was considered the most economical. By this time, there were 11 sewer breaks in the city.

"It was decided that the state and federal EPA offices were not properly experienced to

handle the DSR's, and a new set of DSR's was ordered, these to be completed by the Corps of Engineers.

"This was done and for the first time the conflict between the contractor's actual time spent and the Corps' allotted time for de-watering and bypass pumping emerged.

"The engineering controversy resolved itself as to whether or not the well points should be placed 10 to 14 feet below the bottom of the sewer, which the contractor was doing, or three to four feet below as the Corps suggested.

"In an attempt to resolve this, there was a series of meetings where the contractor justified its position from expert opinions of hydrologists from several companies, to the effect that the shallow placement of the well points would not de-water the excavation. This was because of ground water percolation through the permeable surface laying 15 to 20 feet below the surface in our area.

"The Corps refused to change its position, and suggested an alternative method.

"The city was, and is, caught in the middle—on the one hand having a binding contract with Finis P. Ernest, Inc., and on the other hand being unable to receive financial help from the federal government because of the disallowance of the costs of de-watering and bypass pumping by the Corps of Engineers.

"This has resulted in a complete depletion of the city's funds, along with failure to pay the contractor \$170,000.

"This is the position the city has found itself in throughout the rest of 1973 and at this point in 1974 on this issue.

"In regard to the cutoff date of Dec. 10, the city experienced five more sewer breaks within 20 days after that date, and the entire cost of these breaks has been disallowed.

"In an effort to resolve these issues, the city has requested that the agencies involved consent to an independent consulting engineer reviewing the entire matter, and rendering an opinion as to the engineering practices followed in the de-watering, and to the reasonableness of the cutoff date.

"As of now, this offer by the city has not been accepted or rejected.

Mrs. Louise (Reynolds) Parker, 56, of 1715 Edison Ave., was found dead in her living room by a neighbor and was pronounced dead at 6:10 p.m. Thursday by Edward Werner, Madison County deputy coroner.

She was born in Stewart County, Tenn., and had resided here for 21 years.

Survivors include four sons, the Rev. Darl Reynolds and Donnie Reynolds, both of Alton, and Thomas and Mark Reynolds, both of Granite City; one daughter, Mrs. Fred (Linda) Flaugh of Granite City; two sisters, Mrs. Edwin (Margaret) Taylor of Knoxville, Tenn., and Mrs. Robert (Orbie) Candler of Granite City; four brothers, the Rev. Thomas Parker, Malcolm and A. J. Parker, all of 20 grand-

children.

Funeral arrangements are given in the obituary column.

## 'Beaver Valley' children's film

"Beaver Valley," a film on the life cycle of beavers and their engineering skills will be presented Wednesday at 2 p.m. at the Granite City Public Library as part of the summer children's film festival programs. The suggested age level for this program is six through nine years.

The film program will be presented every Wednesday at 2 p.m. through Aug. 28.

partially resolve its financial crisis has asked for an interim audit, so that the remaining \$320,000 already approved might be paid over to it as quickly as possible. Again, this proposal, as of this date, has not been accepted or rejected.

"As a result of a series of events beyond control of any member of the city government, the city faces a severe financial crisis.

"We ask that these matters be resolved, as the city is still experiencing sewer breaks—and the financial burden has become overwhelming.

## Drowning victim still unknown

A dental examination of the unidentified body of a man found floating in the Chain of Rocks Canal on June 3 failed to give any clues as to his identity, it was reported today.

Authorities said the drowning victim also is missing the index finger of the left hand.

Deputy Coroner Edward Werner said the victim apparently is between 25 and 39 years of age.

## Bicycle 300 miles

Terry Francis, 16, and his brother Keith, 14, of 2628 State St., members of the Great River Riders, were among six bicyclists in a field of 83 to complete a 300-mile ride during the weekend.

The ride began at Pocahontas and went to Martinville and back the next day. Terry covered 200 miles in 12 hours.

## Bid on road material

Only one bidder submitted proposals for supplying materials to resal some of the streets in Pontoon Beach. The bid was opened last week and submitted to the village's engineers for a recommendation.

Midwest Blacktop Roads, Inc., of Collinsville proposed supplying 4,940 gallons of bituminous materials for 46.25 cents per gallon, a total of \$1,344.

The bid for bituminous priming materials was 46 cents per gallon for 2,500 gallons, a total of \$1,150.

For seal coat aggregate, the

Midwest bid was \$7.70 per ton for 372 tons, a total of \$2,864.

All the prices were within the engineer's estimates and will be recommended for approval by the village board at its meeting Thursday, June 13.

MRS. PETERSON NAMED TOP SALESWOMAN

Mrs. Sharon Peterson, 2420 Center St., was crowned Queen last week at a dinner meeting of the Queens Way to Fashion firm held at Stouffer's Riverfront Inn, St. Louis.

She received the honor as outstanding saleswoman for the month of May, having achieved over \$5,000 in sales.

## GOP group to meet in area

A meeting of the Republican National Committee's Rule 29 Committee is scheduled for June 15 and 16 in St. Louis, at the Marriott Motor Hotel.

The Rule 29 Committee — which is charged with reviewing and studying all the rules of the National Committee — will meet to draft its preliminary report to the National Committee, due June 30.

The committee is chaired by Rep. William A. Steiger of Wisconsin, and vice chairmen are Gov. James E. Holshouser of North Carolina and RNC Co-Chairman Mary Louise Smith. All will be attending the meeting in St. Louis. Host will be Gov. Christopher Bond of Missouri, a member of the Rule 29 Committee.

The tentative agenda of the sessions, which will be open to the press and to interested observers, calls for meetings of the committee's five subcommittees Saturday morning.

Gov. Bond will address a noon session.

## Huck Finn rated above other current movies

By GENTRY TROTTER  
For Channel Four

"Mr. Majestik."

Well, this is the watermelon season and it wouldn't be right without having a movie about this big green appetizer.

United Artists' "Mr. Majestik," starring Charles Bronson and Linda Cristal, is a poor excuse for a thriller. You would think after all of the violence in this PG-rated flick there should soon be a Committee on the Prevention of Cruelty to Watermelons.

It receives my rating of one for poor.

"Midnight Man."

Here's something for those people who enjoy pantyhose raids and campus murders.

The only thing you'll love about Universal Pictures' "Midnight Man," starring Durt Lancaster, is good acting, after that everything is a bit trite and goes right down the drain.

This B-rated production is complicated, but what difference does it make, because it is down right stupid.

**55 speed law 'saves lives'**

The new 55 miles per hour speed law has definitely cut down highway deaths, Trooper Bill Simpson of the state police told the Madison Rotary Club at its weekly luncheon held in the Madison recreation center.

Simpson said state police are in need of additional troopers. He called attention to the fact that height and sex requirements have been dropped.

The club celebrated the birthday of Rotarian Henry Baucum, a freshman, who has the part of a fresh, sexy bombshell, and Peter Breck, whom I can't believe as a young coiffeur.

There isn't any part of the play where the performers weren't clumsy and misguided. I felt that the entire production just zipped past me.

"There's a Girl In My Soup" is just like my can of soup; without water and heat, everything is just a mere glob. I rate it as poor.

Even a play dealing in sin should have realism bubbling all over. But not this one.

Two of the major strikeouts are Marion Marlowe, who I can't really believe has the part of a fresh, sexy bombshell, and Peter Breck, whom I can't believe as a young coiffeur.

## Steel imports add to trading deficit

Steel imports continued to increase during April, according to new government data supplied to the American Iron and Steel Institute.

AISI reported that 971,000 tons of foreign steel entered the United States during the month.

This was up from imports of 892,000 tons in March, and marked the fourth month in a row during which producers abroad had increased their steel shipments to the U.S.

Through the first months of 1974, steel imports had reached 3,520,000 tons, compared with a total of 4,507,000 tons of imports in the same period last year.

Tool steel imports remained well ahead of their 1973 pace.

Through April, they were 57.2 percent greater than their total for the first four months of last year.

The average declared value of all imported steel climbed to \$256.34 per ton through the first four months of 1974. This compares with an average declared value of \$173.40 per ton for the comparable period of last year.

Through the first four months of the current year, the trade deficit in steel had reached \$332,440,000.

## Need for moral integrity cited

Today's need for moral integrity is "one of the most obvious urgencies in our society," Christian Scientists from many countries were told at the denomination's annual meeting in Boston last week.

"No nation could long prosper while drifting into a miasma of moral blindness, public and private," DeWitt John, new chairman of The Christian Science Board of Directors, declared.

"Divine Principle (God) is the real source of integrity and justice for every nation," he said, "and our individual adherence to Principle is a powerful help in demonstrating God's government among men."

More than 6,500 members of The Mother Church, The First Church of Christ, Scientist, in Boston, were on hand. According to Charles C. Meyer of the Assistant Committee on Publication for Granite City, some of them viewed the newly-completed Church Center for the first time.

## Advisory post

Harold E. Briggs, superintendent of the Educational Service Region, has appointed Joseph Brewer, Allon, to the Madison County Special Education Advisory Committee.

Brewer is a retired teacher. His term will be for four years.

The committee was appointed in compliance with Public Act 1973-1, which calls for a committee to consist of seven members, appointed by the superintendent of the Educational Service Region.

## Art exhibit and reception

The annual art student exhibit of Southern Illinois University at Edwardsville opened today in the Opapi Room of the University Center.

A reception for the artists will be held from 7:30 to 10 this evening in Goshen Lounge. The public is invited, admission free.

The show, open through July 12, will comprise all the art media — paintings, graphics, ceramics, fiber, sculpture, photography, jewelry, drawing and design.

## Park golf, tennis lessons

Golf and tennis lessons for adults and youngsters will be available this summer through the Granite City Park District's recreation program.  
Tennis instruction will be given on the Wilson Park courts beginning Monday, June 17. Golf lessons also start next week, with basic instruction at Wilson Park and advanced lessons continuing at an area golf course.  
Both programs are open to all residents in the Granite City Park District.  
Tennis lessons are for boys and girls between the ages of 8 and 17. Adult classes will be held on Tuesday and Thursday evenings from 7 to 8:30.  
Girls and boys will receive separate instruction on different days and in three age categories. Boys attend classes on Tuesday and Thursday and girls on Monday and Wednesday.  
Sessions for 8 and 9 year olds will take place from 9 to 10:30 a.m.; 10 and 11 years from 10:30 a.m. until noon and 12 to 17 years from 1 to 2:30 p.m.  
Classes will be held each weekday from 10:30 a.m. to 11 a.m. from 11 to 11:30 a.m. and from 11:30 until noon.  
A second series is arranged for July 15-16 and a third all-level session will take place in August after public summer session is completed, Beatty said.  
Mother and tot classes will be conducted from 11:30 a.m. until noon starting July 1 and continuing through July 12. Adults may take swimming instruction during the same period in classes scheduled from 7 to 7:30 p.m.  
Between 10 and 15 pupils will be accepted in each course series, Beatty said. Cost of the instruction will be \$7.50 for Paddlers members and \$12.50 for non members.  
To register for a class or to obtain additional information, those interested may call Paddlers at 876-1802, or Beatty at 877-1065.

## Take 2 years of Army before college.

If you're a high school graduate ready to take full advantage of college this fall, it all means go to it. But if you think you'd get more out of college a little later, consider the benefits of 2 years of Army.  
Guaranteed job-training—or duty in Europe. With your 2-year enlistment, you can choose from a wide range of job-training courses, and if you qualify, have that training guaranteed in writing before you enlist.  
Or, you can choose to serve in Europe. Either way, you get a starting salary of \$326.10 a month before deductions, with a raise to \$363.30 in just four months.  
Enlist now, go 6 months later. This is like having your cake and eating it, too. With the Army's Delayed Entry Option, you can enlist today, get your decision out of the way, and not have to report for up to six months, depending on the job-training you sign for.  
If you'd like to try college while still in the Army, you can attend classes on post or at a nearby college. With the Army paying 75% of tuition.  
And when your enlistment's over, there's up to 36 months of financial assistance at the college of your choice.

## Gittemeier, Yates win

Missouri's Len Gittemeier led the late model stock car 25-lap feature race from start to finish Friday at Tri-City Speedway.

For the second consecutive race date Granite City Jack Yates put his mechanical knowledge to use to take top honors in the sportsman class event.

Yates, who two weeks ago won the sportsman main event after winning a protest,

## Lapinski wins

Warrior Phil Lapinski was among ten wrestlers to emerge as class champions Saturday at the rain-soaked Missouri Outdoor Open tournament held at SIUE's Cougar Field. Harold Richter of Hazelwood, a former Warrior, won at 154 pounds.

Lapinski of GCHS South defeated six foes, including state high school champion Jim Reizer of Belleville East, enroute to the 114-pound title. South freshman Jim Carmody took third at 132 pounds after losing to Ichiro Yamachi of Japan, the eventual winner.

Other Warrior matmen who placed well were: Kevin Page, third, 123 pounds; Brian Wilson, third, 165; and Jerry Patterson, third, 191.

## 889 graduate

One person suffered a cut and another sustained a loosened tooth when heavy mortarboard academic caps were thrown into the air by the GCHS South graduating seniors Friday night in Memorial Gymnasium. Seniors given diplomas totaled 888.

North High graduates numbering 301 graduated Saturday night in the same gymnasium. Both programs were held indoors due to rainy weather, and the room was filled both evenings with graduates, relatives and friends.

Senior lists are published on Page 8 (South) and 9 (North) today.

## News notes

The Illinois Board of Election on Friday ruled 500 state and local-level candidates off the November ballot because they did not file economic interest statements by April 30. Court appeals are planned by some.

A 31-foot river crest is expected this week at St. Louis, where the flood stage is 30 feet.

The Illinois House by 72-58 Friday amended an East Side Levee District reorganization bill to guarantee Republican board membership.

State Rep. Horace Calvo's bill for a \$3,200,000 Bi-State Transit System subsidy was filed Thursday in the Illinois House.

A public hearing at 9 a.m. Thursday at SIUE will be conducted by the SIU board to hear comments on proposed centralization of administrative authority over the SIUE and SIUC campuses.

Talks in the eight-day-old construction driver strike will be resumed tomorrow at Springfield by Teamsters, contractors and federal mediators. Bargaining sessions took place Friday and Saturday.

A National Labor Relations Board decision last week calls for a hearing on alleged Colonial Haven Nursing Home violations in discouraging employees from affiliating with

# Commencement program hed for senior class at High School South

Granite City High School South held its annual commencement program during the weekend, with addresses given by Principal James Dumont, Valedictorian Jayne Knobbe and Salutatorian Jean Schwarkopf.

Miss Knobbe spoke on "A Look Toward the 21st Century" and Miss Schwarkopf discussed "Reflections."

Principal Dumont presented the graduating class to Supt. B. J. Davis, who then presented the class to President Donald Stucke of the Board of Education.

Instrumental music during the graduation exercises was under the direction of Joseph Pwens, and the South High School band played for the processional and recessional of the senior students.

Miss Melanie Asadorian, May queen, sang the "Star-Spangled Banner."

A clarinet quartet composed

of Patty Bode, Paula White, Diana Goodman and MarJean Ellisworth played Mendelssohn's "A Joyous Song." Awarding of diplomas was by the Board of Education, consisting of President Stucke, Secretary George Moore Sr., Treasurer L. Monroe Worthen and Members Arthur L. Metcalfe, Norman Hall, Carl Macios and Harold Davis.

The invocation and benediction were by the Rev. Roy Baugh, pastor of Niedringhaus United Methodist Church.

South High at Madison Avenue and Nameoki Road was known as Granite City High School until the 1974 school year, when North High at Maryville Road and Highway 203 was opened. Both schools serve the ninth through twelfth grades.

## Gunman robs GC motorist

An armed robber took \$150 cash from a motorist on Highway 203 at 10:05 p.m. Thursday while the victim was seated in his automobile at the rear of an office building at 3703 Nameoki Road.

Kwiatkowski told police the man came from the rear of the car, placed a revolver to his head and said, "Give me your wallet." The victim, believing the gunman was playing a joke, turned around but was quickly told the robber meant business.

The gunman was about 20 years old, weighing 140 pounds, and was five feet, six inches tall.

also demanded and got Kwiatkowski's keys before fleeing across Nameoki Road toward Fair Oaks Drive.

The man had sandy hair, needed a shave and was wearing a long-sleeved plaid shirt and blue jeans, police were told.

## Post Corp. to buy its shares

Post Corp. announced at Kewanee, Wis., last week that it plans to buy up to 25,000 of its own shares in the over-the-counter market. The company will continuously evaluate the market price it will pay for shares.

A spokesman said the firm has cash not needed for other purposes and has decided to use a portion of the excess to buy its own shares.

The purchases will be made from time to time depending on market conditions. The firm has only common stock outstanding. It will restore shares purchased to authorized but unissued shares where they will be available in the future for general corporate purposes. The company has no present plans for the use of such shares.

No company officers or directors are purchasing the company's securities and none intend to dispose of company securities held.

CRAWL THROUGH WINDOW A burglary at the home of William Brannan, 2102 Nevada Ave., reported Thursday, netted \$30 cash from a kitchen cabinet. The intruders crawled through a kitchen window after cutting two holes in the screen.

**Some good news for the Class of '74.**

Contrary to popular belief, good jobs aren't that hard to find these days. Not that it is, but it is. You know where to look. Our confidence is based on three simple facts:

- One: We have more jobs to offer the Class of '74 than any other military or civilian. (About 10,000 openings.)
- Two: The jobs are the kind you don't usually find in high school or college. Electronics, construction, computer, technical repair, communications and line work.
- Three: Although the jobs we offer are considered "skilled labor," we don't require you to have any special training or college education. We'll train you on the job. You choose the exact job training you want before you start. And, if you qualify, you'll get in. Guaranteed.

That's our job offer to the Class of '74. We think it'll pay you to look into it.

**YOU'VE READ ABOUT OUR JOBS. NOW READ ABOUT OUR BENEFITS.**

Some financial considerations: From day one you'll get a good salary. \$18.10 a month (before deductions). With a raise to \$28.32 in just four months. Meals, housing, free medical and dental care are provided. And you can save money shopping at Post Exchanges and Commercials. So your take-home pay is really your take-home pay.

So where you want to go, do what you want to do. Besides picking your job-training, you pick your duty station. Europe, Alaska and almost anywhere in the continental United States.

Your education doesn't stop after you graduate. You can earn two more years of college tuition in a Reserve Officers' Training Corps (ROTC) program. You can earn college credit for correspondence courses, on-base university extensions, military college and night classes are available world wide. And we pay most of the expenses. When you start, you'll get \$100 to get you started. And if you stay up to 36 months financial assistance at the college of your choice.

The most important benefit is the one you give us. By giving us 2 to 3 or 4 years of your time (the choice is yours), you'll be helping your Country, as well as yourself. You'll be making the world a better place. If you do, too, call your Army representative, 876-5259.

# Initial class graduates from the new Granite City High School North

The first graduating class of Granite City High School North participated in commencement exercises Saturday evening.

Valedictorian Toni Marie Simmers spoke to the gathering of students and relatives on "Steps on the Ladder of Success" and Salutatorian David Allen Heth spoke on "Accepting the Challenge."

The Concert Band and Madrigal presented "People" and "Time in a Bottle," and they were joined by the seniors in the Alma Mater, "Always Something Special," and the selection, "We've Only Just Begun."

The Concert Band played during a procession of the seniors. R. D. Todoroff is the band director and Mrs. Gail Mueller the chorus director. Both the instrumental and vocal groups presented the national anthem.

Principal Gilvert Walmsley introduced Sgt. of Schools E.J. Davis and Donald Stucke, president of the Board of Education.

They were joined in the awarding of diplomas by Board Secretary George Moore Sr., Treasurer L. Monroe Worthen and members Harold Davis, Carl Macios, Norman Hall and Arthur L. Metcalf.

With the Concert Band playing, Lisa Grothuis narrated the pledge of allegiance. Speakers included Principal Walmsley and Janet Morlen, class president.

Prayers were offered by Don Deterding, athletic coordinator. A list of the 1974 North High School graduates follows:

## Anderson replaces Willson at Festival

Leroy Anderson, creator of such popular pieces as "The Typewriter," "Blue Tango," "The Syncopated Clock" and "Sleigh Ride," will replace Meredith Willson at the Mississippi River Festival on Sunday, Aug. 4, at 7:30 p.m.

Anderson will conduct the St. Louis Symphony Orchestra in a program which includes some of his own works.

Willson was forced to cancel his engagement on the advice of his physicians.

Born in 1908 in Cambridge, Mass., Leroy Anderson studied music at Harvard University with Spaulding, Ballantine and

## Rail assessment tally

Miss Eulalia Hotz, county clerk, announced last week that the railroad tax book is completed and has been turned over to George Musso, county treasurer, for collection.

The amount of taxes extended for 1973 in the railroad book is \$852,630 on the railroads, \$15,392 on Schedule 31, plus \$5,125 on Wood River Levee and Drainage and \$104 on Chouteau.

**Some good news for the Class of '74.**

Contrary to popular belief, good jobs aren't hard to find these days. Not, that is, if you know where to look.

And a better place to look than today's Army you won't find. Our confidence is based on these simple facts:

One. We have more jobs to offer the Class of '74 than anyone. Military or civilian. (About 70,000 openings.)

Two. The jobs are the kind you don't usually step in to right out of high school. Electronics, construction, computers, technical repair, communications and law enforcement are a few of the over 300 good, steady jobs we offer.

Three. Although the jobs we offer are considered "skilled labor," we don't require that you already possess the skill. We'll teach you everything you need to know in our training courses. (Experience will come on the job.)

Four. You choose the exact job training you want before you enlist. And, if you qualify, you'll get it. Guaranteed in writing.

There's our job offer to the Class of '74. We think it'll pay you to look into it.

**From the Class of '73.**

Some financial considerations. From now on, you're paid a good salary, \$226.10 a month (before deductions). With a raise to \$263.30 in just four months. Medical, housing, free medical and dental care are provided. And you can save money shopping at post exchanges and Commissaries. So your take-home pay is really your take-home pay.

So when you want to go, do what you want to do. Besides picking up your training, you pick your duty station. Europe, Alaska, Hawaii, and almost anywhere in the continental United States.

Your education doesn't stop after you join. Today's Army has a one-in-service educational program. You can earn anything from a high school diploma to a doctorate. Correspondence courses, on-the-job university extensions, nearby colleges, and night schools are available worldwide. And we pay most of the expenses. When your enlistment's up, you'll be glad the G.I. Bill is still around. Paying up to \$1,000 in financial assistance at the college of your choice.

The most important benefit is the one you give us. By giving us 2 or 4 years of your time (the choice is yours), you'll be helping your Country, as well as yourself. Some people still think that's pretty important. If you do, too, call your Army representative, 976-5269.

## Punishment exceeds streaking offense

presence been given a one-year sentence without due process of law. This is one year of school which must be made up before he can assume his rightful place among the working public.

From stories I have read the young man comes from a family of very understanding people who were properly embarrassed and humiliated by their son's actions. Undoubtedly, he received severe punishment at home.

The judge in this case very appropriately fined the young man far in excess of the amount he bragged about for or the amount he believed the parent will see that this money comes from his allowance.

This is as it should be. We commend the judge's decision.

But now, after due process of law, the school board decides they must get in the act. Their action would be in line if they had proclaimed publicly in advance that any "streaking" by pupils of the school system would be dealt with by expulsion.

Even a criminal has a right to know of the punishment for a crime before he commits it.

We firmly believe that the punishment, in this instance, far exceeds the crime and that the school board should rescind its action.

## Society too lax on punishing juveniles

This was about 3 a.m.; the commotion awakened me, so I knew what went on.

parents still know where their kids are and what they are doing.

Another example of juvenile delinquency—a resident of the Anchorage homes was sitting on her porch waiting for someone to pick her up to go the the grocery store. Her purse was in her lap.

Some brat ran up and snatched the purse, which was later found around the corner on the next street, the money missing.

## State should guarantee women's rights

members of our General Assembly assume the responsibility of providing equality under the law for females.

Continuing to deny this equality is morally, ethically and intellectually unacceptable to the League of Women Voters of Illinois.

Equal rights for women do warrant a constitutional guarantee. The amendment states very simply that

equality of rights under the law shall not be denied or abridged by the United States or by any state on account of sex." This constitutional guarantee would officially—once and for all, and not inch by grudging inch—require equal treatment for all.

### Favors current bill on Levee District

A perfect example of neglect of duty is here at Dobrey Slough.

Even though the state of Illinois spent for our cause, devoted hundreds of hours of planning, appropriated \$150,000 and begged the Levee District along with the rest of us to get some easements needed to combat the serious flood and health problem, the Levee Board played the usual political games.

I, as the people's precinct

committeeman and the Nameoki health inspector, hope and pray that the bill to allow the abolition of the East Side Levee District passes.

Also, that most of the laborers will end up with much better working conditions. Because, as we see it, the biggest problem of the district is the Board of Trustees.

## DeMolays initiate seven

The James Stuart Chapter, Order of DeMolay, conferred initiatory and DeMolay degrees on seven young men at a meeting held at the Masonic Temple, members of the class honoring York Rite Masonry. New members included Timothy R. Alsbury, Jeff C. Arnold, Howard T. Chamberlain, Gary L. Daniels, David A. Fanning, Thomas C. Groshong and John E. Leach. The DeMolay "flower talk" was given by past Master Councilor Steven R. Ebrecht. Fathers of the new DeMolays and other master Masons were introduced and spoke briefly. Dr. Amos Rode and William

J. Mehl spoke as representatives of the York Rite. Dr. Rode is a past master of Granite City Lodge 877, past excellent high priest of Granite City Chapter 22 of Royal Arch Masons and twice illustrious master-elect of St. Clair Council 61 of Royal and Select Masters. Mehl is a past master of Triple Lodge 835, past high priest of Granite City Chapter 221 R.A.M., past thrice illustrious master of St. Clair Council 61, past commander of E. St. Louis Commandery 81 of Knight Templars, a 33rd degree mason and holder of the York Knight Cross of Honor. As a charter member of the Granite City Chapter, Order of DeMolay, Mehl is the oldest living past master councilor of the chapter and a holder of the DeMolay Legion of Honor. Both Rode and Mehl are advisors of the DeMolay chapter.

The senior line officers conferred the initiatory degree with the exceptions that William Cochran served as senior deacon, J. Eric Tucker as junior stewards, Mark Carroll as sentinel, Michael A. Worthen as almoner and Edward J. Parker as sixth preceptor.

The DeMolay degree team consisted of: Stanley Myers, orator; Joseph Young, hunchback; William Cochran, marshal of commission; Charles Powell and Robert DeCourcy, marshalls of guards; Anthony Tsigragoroff, Johnny R. Richard, Hiram Ables, Eric Tucker, inquisitor escorts. David Ledbetter, master inquisitor; James Boyd, senior inquisitor; William Berger, junior inquisitor; Michael Worthen, senior guard; David Ebrecht, Norman Burgess, Mark Carroll and Keith Basley, soldiers; Hiram Ables, DeMolay, Karl Ebrecht, Guy of Avergne; David Epping, Hughes de Peralde; Bruce Groshong, Godfrey DeConville; Mark Swigert, Lord Constable; Timothy Swigert, French captain; and Laurent Ferrere and Edward Parker, French soldiers.

Following the initiation, refreshments were served by the Mothers' Club.

**STEAL AUTO TAPES**  
Fourteen tapes, valued at \$76, were stolen from the locked auto of Clarence Tirey, 1900 Third St., Madison, while the vehicle was parked outside Baker's Drive Inn, 1371 Edwardsville Road, the owner reported at 12:50 a.m. Friday.

**PARADE OF FLAGS PROGRAM** held in Memorial Park, 21st Street and Madison Avenue. Cub Scout Tom Paul of Pack 8 and Brownie Mary Grace of Troop 140 led the pledge of allegiance. Back of them near flags, from left to right, are Cecil Nash, Disabled American Veterans member who acted as master-of-ceremonies, Keith Curtis, who sang the national anthem, and the Rev. Joseph Harvey, associate pastor of St. Margaret Mary Church.

**SCOUTS AND LEADERS** raise several U. S. flags in Memorial Park during annual Disabled American Veterans Auxiliary Memorial Day activities under the leadership of Mrs. Pat Macke. Over 300 persons, mainly Boy and Girl Scouts, participated in the parade and ceremonies.

## Gospel concert Friday

The Chapelaires Quartet of Granite City is hosting an anniversary homecoming concert in the auditorium of the Granite City High School South at 8 p.m. Friday, June 14.

The concert marks their 16th year as a gospel singing group. Others singers for the anniversary concert include Barney Barrow and the Victory Quartet of Granite City; The Gospel Echoes of St. Charles, Mo.; Jeannette and Larry Rudder of Granite City; and Slim Cox and the Sunshine Gospel Singers, St. Louis. The Chapelaires are: Charles Adams, manager and tenor singer; his son, Chuck Adams, lead singer and rhythm guitar; Jerry Nichols, baritone singer and bass guitar; Benton McCanless, bass voice; and Ken Weaver, steel guitar, and Don Bradford, drums.

Their most recent programs

have included participating in a hospital fund-raising event in the Missouri Ozarks and "singing down the Mississippi" on the Huck Finn boat along with other singers. They have been on local area and out-of-state radio stations as well as television, and have released several long-playing albums. General admission Friday is \$2 and children under 12 will be admitted free.

## Dr. Surbey observes 30 years in ministry

The Rev. Dr. Paul R. Surbey, pastor of St. John United Church of Christ, 2801 Nameoki Road, today celebrates the 30th anniversary of his ordination to the Christian ministry. A special service of worship and recognition was shared in by members and friends of St. John Church yesterday morning.

The Rev. Dr. Allen O. Miller, professor of systematic theology and philosophy at Eden Theological Seminary and a longtime friend and colleague of Dr. Surbey, was the guest preacher.

A surprise reception honoring Dr. and Mrs. Surbey, served in Fellowship Hall by the St. John Evening Guild, followed the services.

At that time the Surbys were presented with a "book of memories" containing letters and cards from his classmates, friends, colleagues and church dignitaries.

Dr. Surbey received his early education in his boyhood home of North Canton, Ohio, where he lived with his family on his farm.

After receiving his diploma from North Canton High School, he continued his education at Heidelberg College, in Tiffin, Ohio. It was there that he made the decision to enter full-time Christian service and seek ordination in the Evangelical and Reformed Church.

In the fall of 1941, he entered Eden Theological Seminary to prepare for the ministry, and on June 6, 1944, became part of the class of 1944 receiving the degree of bachelor of divinity.

Four days later, he was ordained at Zion Church in North Canton, Ohio, the Rev. David Baker presiding.

During his last year at Eden, the young seminarian worked as a part-time assistant in St. Paul's Church, Belleville. There he met Georgia Schaab, who became Mrs. Paul Surbey on June 19, 1944.

Almost immediately, Rev. Surbey and his bride moved to Ingleswood, Calif., where he had accepted a call to become minister of Morningside Community Church. He served successfully in that capacity before moving back to Southern Illinois to become pastor of St. Paul Church, Lebanon, and St. John Church, Sumner.

On Jan. 1, 1954, Rev. Surbey was called here to become pastor of St. John United Church of Christ, then known as St. John Evangelical and Reformed Church. During his pastorate, he has helped St. John Church become a in-

REV. DR. PAUL SURBEY

fluence in the lives of its members and through them, the entire community.

He also personally has been involved in many community activities in service to Granite City citizens. He is a member of the Optimist Club of Granite City, was active in establishment of the Mobile Meals program and has contributed time and effort to Protestant Welfare, Co-Ordinated Youth Services and area mental health organizations.

While serving St. John Church, the pastor continued his education at Southern Illinois University at Edwardsville and Eden Seminary, where he received the degree of doctor of ministry in pastoral care on May 19, 1972.

"His academic expertise and his concern and compassion for others have made his ministry a great contribution to the community," a spokesman has commented.

## Ratkewicz graduates at Air Force Academy

Arthur G. Ratkewicz, son of Mr. and Mrs. Anthony V. Ratkewicz, 1608 Fifth St., Madison, was commissioned a second lieutenant and awarded a bachelor of science degree upon graduation from the U.S. Air Force Academy in Colorado last week.

Lieut. Ratkewicz, who majored in history, has been selected for duty as a staff officer at Castle Air Force Base, Calif.

While at the academy, he has received special recognition by

being named to the Commandant's List for military excellence.

More than 70 per cent of the approximately 800 members of the this year's graduating class — the 16th in the 19-year history of the academy — will go to pilot or navigator training.

The remainder will pursue graduate degrees at universities throughout the country or be assigned to operational Air Force units.

The new lieutenant is a 1969 graduate of Assumption High School, East St. Louis.

## Bicycle and motorcycle collide; two are injured

A 19-year-old bicyclist crossing Nameoki Road at 31st Avenue at 5 p.m. Thursday was injured and admitted to St. Elizabeth Hospital after his bicycle was involved in a collision with a motorcycle.

Paul J. Bonk, Jr., of 1522 Second St., Madison, the cyclist, sustained injuries to the left leg and thigh. X-rays were taken and he was admitted to the hospital.

The motorcyclist, Richard K. Barry, 27, Batchtown, Ill., suffered abrasions to both knees and the left hand. He was released after x-rays.

## Phillip Randazzo, 42, dies

Phillip Randazzo, 42, of 1406a Madison Ave., apparently suffered a heart attack while trying to push a panel truck to a service station and was pronounced dead at the scene, Briarhaven Drive and Pontoon Road, at 2:40 p.m. Thursday by Edward Werner, Madison County deputy coroner. There will be an inquest.

A native of St. Louis, he had resided in Granite City for two years.

Mr. Randazzo had been self-employed for four years at the B&P Lock and Key Service, 1400 Madison Ave.

He was a member of the Catholic faith. Survivors include his wife,

**THE SCHERMER BULLETIN**  
We had a very interesting conversation when we located last week's Jackpot drawing. We finally located her on Monday morning and she related to us that she no longer was a customer since she had moved out on one of Granite City's rural routes. We told her that we had lots of customers living in her area; in fact we have regular customers that live as far as Staunton and Gillespie in Illinois and Arnold in Missouri. Well, she said, "I just didn't think it was worth while to drive down to shop anymore." With this comment, we started reading to her some of the items that were in last Monday's ad. We just gave her three or four, whereupon she said, "well, maybe you are right." That made our day. We firmly believe that distance is no object to "shopping at Schermer's." If you are not a Schermer Shopper, why not give us a try. That's all we ask.

## 200 witness Eagles installation

Officers of Granite City Aerie 1126, Fraternal Order of Eagles, and Auxiliary were installed last week in ceremonies at the Eagles Home on Madison Avenue.

In charge of the ceremony for the men's organization were George Mathenia, installing president, Max Mills, installing conductor and James Lipchik, installing secretary.

Those taking office were Ben Harorian, junior past president; William Hausten, president; Melvin Baker, vice-president; Paul Lampe, chaplain; Hubert Hennrich, secretary; Joe Klesch, treasurer; John Ingram, conductor; Gene Koehler, inside guard; Ray McCoy, outside guard; and Barney Martin, Howard Reinhardt and Bill Hemken, trustees.

Auxiliary officers installed were: Dolores Sanders, junior past president; Billie Schuler, president; Betty Lyons, vice-president; Ruth Fauble, chaplain; Helen Frazier, secretary; Leona Delaloye, treasurer; Kathleen Reed, conductor; Madonna Mathenia, inside guard; Theresa Danco,

outside guard; Norma Hemken, Florida Batson and Stella Miller, trustees; and Florence Hagauer, honorary auxiliary mother.

The installing officers were Nancy Mullins, president; Judy Mills, conductor; and Saine Harorian, secretary. Serving as escorts were Mrs. Angie Buehler, Mrs. Ann Knopka, Mrs. Batson and Mrs. Helen Lipchik.

## North High Band Parents elect

Delton Groothuis was elected president of the Granite City High School North Band Parents Association at its meeting last week.

Named to serve with Groothuis in 1974-75 were: Harold Staker, vice president; Betty Goldschick, secretary; and Dorothy Kinney, treasurer.

Plans for various workshops in which North band students will take part during the summer months were reviewed.

Mrs. Sanders, the retiring auxiliary president, was presented a plaque, a scroll and a pin. Harorian, the Eagles' past president, received a scroll, plaque and a ring.

Lampe gave the benediction and musical selections were performed by Mrs. Emma Forsell, accompanied by Mrs. Marge Kendall.

About 200 persons witnessed the installation and were served a buffet supper. Dancing concluded the festivities. Mrs. Marge Hall served as general chairman.

## Students have conducted

candy sales and car washes to finance their attendance at programs at Cumberland College and Louisiana State University, the parents were advised.

Groothuis announced that meetings of the general membership will be discontinued during July and August, resuming on a monthly basis in September.

Refreshments were served by Mrs. Mabel Stoker to conclude the evening.

SISTER MARY LOUISE  
At GC hospital

## Sister joins hospital staff

Sister Mary Louise, a member of the Sisters of Divine Providence Order, has received her bachelor of arts degree from Marillac College in St. Louis and has joined the social service staff at St. Elizabeth Hospital.

The recent graduate was born and reared in Ste. Genevieve, Mo., where her parents, Mr. and Mrs. Vernon Moser, still reside.

Sister Mary Louise's major area of study at college was in the field of social work.

JOAN HOLLENBECK  
Girls Stater

## Madison student is Girls Stater

Joan Hollenbeck, daughter of Mr. and Mrs. Otis Hollenbeck, 1611 Fourth St., Madison, has been chosen to attend Girls State at MacMurray College in Jacksonville, Ill., this week.

Miss Hollenbeck, 17, will be sponsored by the Venice-Madison Auxiliary Unit 307. The Girls State program will start Tuesday and continue until June 18.

The Venice-Madison representative is president of the junior class at Madison High School. She also is an active member of the Madison High Student Council, band, honor society and Latin Club.

Junior year high school students are selected each summer to attend the Girls State program.

The concept is geared to young women learning the duties and responsibilities of American citizenship by living together as a self-governing unit in a mythical "state" patterned on the Illinois constitution, an auxiliary officer explained.

## Mrs. Andrews heads secretaries

The Illinois Association of Educational Secretaries met last week at Granite City High School North and installed new officers following a potluck dinner.

Those installed by Mrs. Lorena Senn of Highland, were: Mrs. Freida Andrews, president; Mrs. Dorothy Luckert, vice-president; Mrs. Gladys Wallace, treasurer; Mrs. Lucille Caban, secretary; and Mrs. Wanda Kutzer, hospitality chairman.

The retiring president, Mrs. Martha Kutzman, opened the business session and Mrs. Catherine Wittervongel presented Miss Anne Debeve, a South High School graduate, with a scholarship from the organization.

Guests from Highland were Mrs. Norma Mueller, Mrs. Frankie Diefenbach and Mrs. Judie Kreutzberg.

Members present were Mesdames Lucy Stucke, Marge Burge, Barbara Dickerson, Marcella Pilcher, Dottie Mount, Martha Rochester, Fern Hahn, Barbara Schreiber, Irene Hatcher, Pat Zumoff, Nancy Rosales, Wanda Page, Millie Chandler, Alice Campbell, Marge King, Irene Karlechik, Irene Williams, Candy Kuwala, Vivian Hillen, Arlene Haldeman, Helen Toncoff, Ethel Weiss, Sonja Ohanesian, Ellen G. Hoffmann, the above mentioned and the hostesses, Shirley Brown and Jean Hoedebecke.

The next meeting will take place in September.

## Ruth Ford Circle to make puppets

Plans to send fruit baskets to three church members who are ill and to make puppets for the children's department at Second Baptist Church were finalized at a meeting of the Ruth Ford Missionary Circle last week.

Members met in the home of Mrs. Lena Stephens, 2115 Illinois Ave. with Mrs. Mina Duggins presiding.

Mrs. Duggins led the class in singing hymns and prayer was given by Mrs. Naomi Rongey. After the book study session silent prayers were offered for the missionaries.

The closing prayer was by Mrs. Melva Roberts. Refreshments were served by the hostesses to those named and to Mesdames Gertrude Bundy, Rachel Westphal, Lois Jones, Alene Ragan, Ruby Mayberry, Dolores Ayers, Myra Grote, Louise Mitchell, Florence Paul, Louise Wallace, Elena Watson and a guest, Mrs. Georgia Mitchell.

## Surprise party on anniversary

More than 95 friends and relatives of Mr. and Mrs. Robert E. Riggs fete the couple on their 26th wedding anniversary at a surprise buffet reception at the Eagles Home last week.

The party was given by the couple's children, Dennis and Mike Riggs and Miss Joyce Riggs. The family lives at 2028 Lindell Blvd.

Among the guests were Mr. and Mrs. Wardell Riggs and family of Harrisburg, Ill., and Mrs. Alice Reasch and daughter, Donna, from Marion, Ill.

Mr. and Mrs. Riggs are planning a holiday at Tan-Tan-A Resort at the Lake of the Ozarks. The former won the vacation in a contest sponsored by the Allstate Insurance Co. He is employed by the firm as an agent.

MISS ILENE FLINN, whose parents, Mr. and Mrs. Calvin A. Flinn, 2204 Edison Ave., are announcing her engagement to Arnold Schueren. (Hollywood-Andrew Spangler)

## Schueren-Flinn engagement

Mr. and Mrs. Calvin A. Flinn, 2204 Edison Ave., are announcing the engagement of their daughter, Miss Ilene Flinn, to Arnold Schueren, son of Mr. and Mrs. Harold Schueren, 2804 Cayuga St. The bride-elect is a senior at

Granite City High School South and is employed at the Nameoki Cinema. Her fiancé, also a senior at GCIS South, is employed at St. Elizabeth Hospital. Wedding plans are indefinite at the present time.

## Maryville officers at training school

Newly elected officers of Maryville School PTA attended a District 29 school of information held last week at the Columbus Special Education building in Edwardsville.

Mrs. Phyllis Ceregrin, a district officer, presided at the opening session. Individual instruction classes relating to a specific elected officer were then conducted. A discussion and evaluation period followed.

Maryville officers attending were Mesdames Carol Grimm, Julie Gates, Sandy Kozyak and Barbara Haddock.

## Venice seniors visit Brussels

Members and guests of the Venice Senior Citizens Club traveled by bus last week to Pure Marquette State Park lodge and also visited Brussels, Ill., where dinner was served at the old Whitman Hotel.

The group enjoyed a tour through the restaurant and hotel which have retained furnishings from the late 1800s.

Forty-six members and three guests, Mildred Humphrey, Lenna Williams and Mrs. Andria, took part in the all-day trip.

## Restoration group to meet Friday

The first general meeting of the Downtown Neighborhood Restoration Society since the May house tour will be conducted at 8 p.m. Friday in the home of Mr. and Mrs. Bob MacLaughlin, 2118 Cleveland Blvd., according to Wally Padgett, president.

Officers elected for the 1974-75 year, who will be in charge of the business session, are: Padgett, president; Jack French, vice-president; Mrs. Rogers Mafford, secretary; John Mafford, treasurer; Mrs. Judy Padgett, historian; and directors, Mrs. Sally Mathias, David Hug and Joy Causoy.

Persons interested in moving to the downtown Granite City area, as well as established residents, are invited to attend the meeting, Padgett said.

## Restoration is Elkettes topic

Mrs. Judy Padgett of the Downtown Granite City Restoration Society reviewed the group's objectives and programs for members of the Granite City Elkettes at a meeting last week at the Elks Club.

Mrs. Lorraine Williams, president, was in charge of the business session when plans were made for the coming year. A special guest was Don Watson, Elks exalted ruler, who sought cooperation from the women's group in future projects.

Mrs. Jess Hastings of Yuma, Ariz., also was a guest. A prize was won by Mrs. Irma Buscemi and refreshments were served to conclude the evening by Mrs. Theresa Harding, Mrs. Marian Willard and Mrs. Buscemi.

MRS. KEVIN L. MCGOVERN, the former Miss Helen Young, whose wedding took place at the First Baptist Church in Venice. She is a daughter of Mr. and Mrs. William Smith, 906 Third St., Venice.

### McGovern-Young wedding at Venice Baptist Church

Miss Helen "Tiny" Young, a daughter of Mr. and Mrs. William Smith, 906 Third St., Venice and Kevin L. McGovern, son of Mr. and Mrs. Russell D. McGovern, 3016 Warren Ave., exchanged wedding vows in an evening ceremony on May 24 at the First Baptist Church in Venice.

The Rev. William Young officiated at the double ring nuptial service at 7 o'clock.

Escorted down the white carpeted aisle and given in marriage by her father, the bride wore an Empire style gown of chiffon over taffeta and Chantilly lace.

The fitted bodice and stand up collar were created of Chantilly lace and the A-line chiffon skirt was encircled at the hem with a lace trim.

The cathedral length train was bordered in lace and matching lace extended over the shoulders to form a caplet effect for the shepherds' sleeves of chiffon, tightly gathered at the wrists into lace cuffs.

She wore a crown etched with pearls to secure her shoulder length veil of bridal illusion, trimmed with lace braid, and she held a cascade of white carnations centered with a circle of pink sweetheart roses, baby breath and festooned with long satin streamers.

Miss Betty Puente, maid of honor, chose an Empire crepe chiffon gown in green accented with a pleated train.

The bridesmaids, Miss Jerri Gray and Miss Pam Hill, ap-

peared in orange and aqua frocks, respectively. Both dresses were identically styled to match the honor attendant's gown.

All wore picture hats and carried carnation bouquets in shades to match their attire. Karla Venarsky and Tracy Young, nieces of the bride, were dressed in high waisted frocks in white dotted swiss embellished with orange, blue and green flowers. Each held a wicker basket of yellow daisies.

The groom chose his brother, Russell McGovern, as best man. Joe Wallace, Billy Young, a brother of the bride, Gary Simpson and Charles Stevens completed the corps of groomsmen and ushers. John Allen Young, a nephew of the bride, was the ringbearer.

Guests were received by the newly married couple at a reception given at Polish Hall in Madison. A rehearsal dinner was served to the bridal party at Charlie's Restaurant on the evening preceding the wedding.

Mrs. Smith, the bride's mother, wore a beige crepe A-line skirt complemented with a lace bodice made with a V-neckline and short sleeves.

The groom's mother, Mrs. McGovern, chose a pink puffed chiffon gown designed with a high round neckline and long tapered sleeves. Both wore carnation corsages.

The bride attended Venice School. The groom is a graduate of Granite City High School and is employed as a carpenter. They are now residing at 2535 Iowa St.

## Explains Khoury League program

Jim Greer, manager of the Madison Khoury League, was the guest speaker at a meeting of the Madison Ladies Democrat Club held last week at the Sportsman's Club.

Greer reviewed the history of the Khoury League, explaining how it started. He said approximately 200 boys and 100 girls will be engaged in the summer softball program this year.

The speaker also sought financial assistance from the club to purchase equipment and uniforms for the youngsters.

President Maxine Costoff opened the meeting with the pledge of allegiance and prayer was led by Hazel Swigert.

Mrs. Costoff announced two members, Mrs. Elizabeth

Wisnick and Mrs. Lydia Henderson, are patients at St. Elizabeth Hospital. It was noted another member, Mrs. Juanita Brown, is recuperating at home from a recent illness.

A new member, Mrs. Debbie Miskelly, was introduced by Mrs. Costoff. Chairman of the annual fish fry, Mrs. Minnie Brown, gave a progress report.

Others present were Josephine Knezovich, LaVerna Harris, Lee Krpan, Ann Bialczak, Ann Gavilsky, Sue Miller, Minnie Brown, Blondie Dillon, Georgia Graham, Winnie Sasyk, Christine Green, Joann Wilkins, Sarah White, Catherine Kakkaraninen, Cora Barr, Ida Dant, Juanita Jom and Violet Bader.

## GOP Women in Homecoming

The Granite City Republican Women's Club met Tuesday night in the home of Mrs. Elna Hoover, 2503 Iowa St., to make plans to participate in the Jaycee Homecoming this week.

Members will assist the Granite City Republican Central Committee at a booth at the homecoming site on Pehling Road. The event will start Thursday and continue through Sunday.

Mrs. Jane Reese, president, was in charge of the business session. She announced that Mrs. Louella Dirksen, widow of the late U.S. Senator Everett Dirksen, will be in Springfield, Ill., Wednesday taking part in ceremonies to rename a street in honor of her late husband.

The present South 31st Street will be renamed Everett McKinley Dirksen in official ceremonies at 11 a.m. Wednesday in the Frontal Area at the Highway Administration building.

Mrs. Dirksen will attend a press conference at 10 a.m. and luncheon at noon at the Holiday Inn East the same day and will also autograph her book, "Mr. Marigold," for those attending.

Mrs. Reese announced. The club will hold a family picnic at Wilson Park in July, it was reported.

## Homemakers GC unit installs

Representatives of the Moonspinners 4-H Club and Homemakers Extension Association.

A 12:30 luncheon was served at Grace Baptist Church prior to a business meeting, program and installation of new officers.

New unit officers installed by Mrs. Rosalia Johannigmeier include: Mrs. Lucille Sobczak, chairman; Mrs. Helen Barshany, first vice-chairman; Mrs. Barbara Butler, second vice-chairman; Mrs. Madge Ramsey, secretary and Mrs. Sue Brinkhoff, treasurer.

Twenty-six members and three 4-H guests, Wendy Hickey, Maria Schmidt and Donna Wilmansmeyer, attended.

The youthful trio was introduced by Mrs. Elizabeth Schmidt, Moonspinners leader.

Mrs. Lori Heintz, chairman, said a picnic meeting is scheduled on July 3 at Shelter 2 in Wilson Park. The event will take place from 10 a.m. until 3 p.m., with the meal to be served starting at noon.

Members were asked to bring a covered dish food item, a lawn chair and handwork. A flea market also was planned in connection with the picnic.

Perfect attendance gifts were presented by Mrs. Heintz to Mrs. Sue Brinkhoff and Mrs. Martha Taylor, one year perfect attendance; and Mrs. Johannigmeier and Mrs. Martha McIlroy, two years.

"Judging Quality in Fabrics" was the lesson given by Mrs. Wilma Oczka and Mrs. Heintz.

The 1974 National Homemakers convention will be held at the University of Illinois, Champaign-Urbana, from Aug. 4 to Aug. 8, with reservations to be made with unit chairmen.

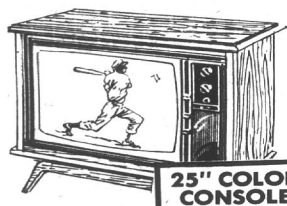

Approximate cost of attending the five-day conference is \$100, Mrs. Heintz said.

The annual Homemakers Camp is set for Aug. 1 at Jacksonville, Ill., it was announced.

Hostesses at last week's luncheon were Mrs. Elsie Stephens, Mrs. Cecelia Malotki, Mrs. Helen Skubish and Mrs. Agnes Butler.

## Broader aid to veterans

The timetable for payment of increases to 2,500,000 service-disabled veterans and dependents of veterans who died of service-connected disabilities was reported Friday by the Veterans Administration.

A new law (Public Law 93-295) signed by the President May 31 increased disability compensation payments to veterans by 15 to 18 per cent, and dependency and indemnity compensation for widows and children by about 17 per cent. The statute made the increases retroactive to May 1.

A separate retroactive check covering the increases for the months of May and June will be sent by VA to the veterans and dependents by mid-July.

The regular monthly checks due next on July 1 will be paid at the old rate, but the new increases will be reflected in checks received Aug. 1 and

GRANITE CITY PRESS-RECORD  
Mon., June 10, 1974 Page 12

thereafter. VA officials emphasized that no application or inquiry will be necessary to receive the increased amounts. The increases will be made by the agency automatically for all such veterans and dependents.

The new law boosts payments to veterans rated 10 to 50 per cent disabled by the VA by 15 per cent, and those rated 60 to 100 per cent disabled by 18 per cent.

The monthly payment to single veterans with 10 per cent disabilities goes up from \$28 to \$32.

For veterans rated 100 per cent disabled under VA's General Schedule, the monthly sum is increased from \$405 to \$504, and for the most severely disabled veterans the

maximum monthly amount is advanced from \$1,228 to \$1,454. Veterans whose service-connected disabilities are rated 50 per cent or more receive additional allowances if they have dependents. These added allowances are also increased under the new law by 15 per cent.

Educational assistance checks for 150,000 veterans whose GI Bill eligibility was extended by one month will reach them by late June or earlier, the Veterans Administration announced.

On May 31, the day the GI education entitlement expired for veterans discharged between Jan. 31, 1955, and July 1, 1966, the President signed P.L. 93-295 granting a 30-day extension to the eight years en-

titlement veterans normally have.

Long before the legislation was passed, VA accomplished all possible preliminary work for the speedy service in anticipation that some form of extension would be passed by Congress and approved by the President.

In addition to the May 31 law, a supplemental appropriation is needed to fund the increases, but speedy Congressional action

is expected on the President's request for the necessary funds.

The extension also allows 85,000 veterans pursuing correspondence courses during May to continue through June. The extra month of eligibility extends also to nearly 4 million other eligible veterans not currently training.

Commenting on the pay problem posed by the former May 31 deadline, VA officials explained: "Most veterans

receive educational assistance checks at the beginning of each month of training, but veterans who continued training after the deadline could not legally be paid for June training."

The new deadline, July 1, 1974, for veterans separated from service between Jan. 31, 1955 and July 1, 1966, applies only to school training, it was pointed out.

Veterans taking farm cooperative, flight, ap-

prenticeship and on-job training have until Aug. 30, 1975, to complete training.

Single veterans going to school full-time under the GI Bill draw \$220 monthly in educational assistance, while those with dependents receive higher benefits.

VA officials noted that bills are pending in Congress to increase allowances, and to extend GI Bill eligibility from eight to 10 years.

## Zoning hearings Friday

## Gov. Walker visits Expo

Gov. Dan Walker of Illinois visited Expo '74 at Spokane, Wash., Friday to help pay tribute to this state at the World's Fair.

Walker was joined by Governors J. James Egan of Nebraska and Jack Williams of Arizona, whose states shared the honors of the day with Illinois.

The three exchanged greetings with their host governor, Daniel J. Evans, in the pair's outdoor International Amphitheatre, which overlooks the Spokane River. Then they moved off the fairgrounds to speak at a noon meeting of the Spokane Bar Association.

In the afternoon, the governors toured the fair, which opened May 4 and closes six months later, Nov. 3. The governors' visit followed by two days the end of the National Governors Conference in Seattle.

Mitchell, on the request of Tommy Davidson, owner, and Mrs. Boyd Butler, occupant, for a special use permit to place a mobile home on the lot in an R-3 single family residential district of Chouteau Township. At 10:10 a.m., the board will meet on-site to consider a request by Helen Barco, owner, and Mrs. Leonard Scheifer, occupant, for a special use permit to place a mobile home in an agricultural district of Namoki Township just north of the entrance to the Arlington Heights Subdivision and several hundred feet from State Road 35.

## SERVICE COUPLE NAMES DAUGHTER PAMELA

Marine Corporal and Mrs. Patrick Voss of Hubert, N.C., are announcing the birth of their first child, a girl, born on June 4 at the base hospital at Camp Lejeune, N.C.

The infant weighed eight pounds and one ounce and has been named Pamela Christine. Mrs. Voss will be remembered as the former Barbara Heth, a daughter of Mr. and Mrs. George Heth, 3022 Washington Ave. The paternal grandparents are Marine Major and Mrs. B. A. "Bud" Voss of Rural Route Two, Granite City.

### FEDDERS

## NEW ROTARY POWERED E-FLEX CENTRAL AIR CONDITIONING

**SAVES ENERGY...SAVES MONEY**

Beat them both...summer heat and the energy crisis. Fedders engineers have used advanced rotary compressor technology and precisely matched and balanced components to bring to you its superb, reliable central air conditioning system with extremely high efficiencies...so you can save on energy on operating costs.

The standard of measurement of air conditioner efficiency is the BTU per watt ratio which is the number of BTUs delivered by the air conditioner for each watt of electricity used. The Fedders rotary powered E-Flex air conditioning systems exceed long accepted industry performances. Compare Fedders ratios with ordinary units and you'll see how you'll save on operating costs month after month, year after year.
